HIGHLIGHTS

- ❑ Over **14+ years of experience** designing and developing dynamic, user-friendly web applications.
- ❑ Proficient in **modern web technologies**, including **HTML5, CSS3, SCSS, JavaScript**, and frameworks like **Angular** and **Vue.js**.
- ❑ Expertise in leveraging UI frameworks such as **Bootstrap, Angular Material, Kendo UI, Bulma**, and **Quasar** to deliver **high-performance** and **visually appealing interfaces**.
- ❑ Skilled in building **responsive, cross-browser-compatible**, and accessible web applications.
- ❑ Adept at collaborating with **cross-functional teams** to create **scalable solutions** and enhance overall **user experience**.
- ❑ Proven ability to **optimize frontend performance**, ensuring **seamless user interactions** and **faster load times**.
- ❑ Strong knowledge of **Agile methodologies** and modern development practices, including **Test-Driven Development (TDD)**.

SOFTWARE SKILL SET

- ❑ Frontend Development : **HTML5, CSS3, SCSS, Bootstrap, JavaScript, TypeScript**
- ❑ Frameworks & Libraries : **Angular (with Material UI, Kendo UI, Bulma), Vue.js (with Quasar)**
- ❑ UI/UX Design : **Responsive Design, Cross-Browser Compatibility, Accessibility (WCAG)**
- ❑ Version Control Tools: : **Git, Bitbucket, Webpack, NPM, Yarn**
- ❑ Methodologies : **Agile, Scrum, Test-Driven Development (TDD)**
- ❑ Secondary Languages : **.NET, Python, PHP**
- ❑ CMS : **Joomla, WordPress**
- ❑ Database : **MySQL, SQL Server 2008**

WORK EXPERIENCE DETAILS

❖ **EC Group Data Soft Pvt Ltd – Client Strategy AI - (Sr. Technical Lead | Apr 2022 - Present)**

Roles & Responsibilities

- **Led and mentored a team** of frontend developers, providing technical guidance, conducting **code reviews**, and ensuring adherence to best practices and coding standards.
- **Collaborated with cross-functional teams**, including designers and backend developers, to define project requirements and deliver scalable solutions.
- **Developed dynamic user interfaces** using **Vue 3**, leveraging modular Vue components to ensure a robust, efficient, and scalable frontend structure with real-time updates.
- **Utilized Quasar Framework** to accelerate development, customizing pre-built components and layouts for a unified, responsive design across various platforms.
- **Implemented responsive design** with media queries and adaptive layouts, ensuring seamless user experiences across devices; rigorously tested for adaptability and performance.

- **Collaborated with clients and design teams** to deliver pixel-perfect implementations of design mockups, enhancing the visual appeal and usability of the frontend. Conducted regular code reviews to maintain consistency and high-quality standards.
- **Managed application states** using **Pinia** (or **Vuex**, as applicable), ensuring organized data flow, separation of concerns, and optimal performance in large-scale applications.
- **Integrated RESTful APIs** seamlessly, enabling efficient data retrieval, validation, and presentation to enhance the overall functionality of the applications.
- Followed Agile methodology with **2-week sprints**.

1. Product	Strategy AI
Description	AI Chatbot
Client Location	USA (Nashville)
Role	Senior Technology Analyst
Skills Used	VUE, Quasar, Python, Django
URL	https://strategy.ai/

❖ **EC Group Data Soft Pvt Ltd. – Client Quovant - (UI Developer | Aug 2021 – Mar 2022)**

Roles & Responsibilities

- **Converted pages** to align with product standards using **HTML5**, **SCSS**, and **Bootstrap 4**.
- Conducted **design and code reviews** to ensure adherence to coding standards and best practices.
- **Migrated the application** to the latest version, upgrading from older frameworks to **Angular 12**.
- Collaborated with backend developers to **integrate APIs** and ensure seamless functionality across the application.
- Created **reusable Angular components**, such as grids and utilities for **local/session storage**, to improve efficiency and maintainability.

PROJECT DETAILS

2. Product	MyLegalitics
Description	The legal and compliance software.
Client Location	USA (Nashville)
Role	Senior Technology Analyst
Skills Used	HTML5, Bootstrap 4, SCSS, Angular, .NET, SQL Server.
URL	https://www.quovant.com/

❖ **EC Group Data soft Pvt Ltd. – Client Dominion - (Senior Technology Analyst | Dec 2016 – July 2021)**

Roles & Responsibilities

- Convert the pages as per the product standards using **HTML5 / SASS / Bootstrap 4**.
- Conducted thorough **design and code reviews** to maintain quality and adherence to coding standards.
- Developed **responsive web designs** using **HTML5** and **Bootstrap 4**, ensuring compatibility across devices and browsers.
- **Migrated the application** to **Angular 7**, upgrading legacy codebases to leverage modern frameworks and best practices.
- **Collaborated with backend teams** to align **API structures** with **frontend requirements**, ensuring **smooth data exchange** and **usability**.

PROJECT DETAILS

3. Product	Dominion Payroll / Company Management / ESS
Description	HR management product
Client Location	USA (Michigan)
Role	Technical Analyst
Skills Used	HTML5, Bootstrap 4, SASS, Angular, .NET, SQL Server.
URL	https://www.dominionsystems.com/

❖ Mundio Mobile Ltd. (UI Developer | June 2015 – Dec 2016)

Roles & Responsibilities

- Write front-end code compliant with **web and mobile standards** for **cross-browser** and platform compatibility.
- Excellent **HTML5, CSS3** experience in developing **Multi-Screen** web application using **responsive web design**
- Strong **JavaScript** Experience, especially Ajax and **jquery** development creating rich interactive content.
- Proficiency in coding using **web standard (W3C)** / best practices.
- **Solid knowledge of front-end** related technologies.
- **Optimize CSS, jquery** for **website loading speed**.

PROJECT DETAILS

4. Product	Vectone Mobile / Delight Mobile
Description	Vectone Mobile is a Mobile Virtual Network Operator; offering cheap international call solutions across Europe.
Client Location	UK / Austria/ Denmark – Mobile virtual Network
Role	UI Developer
Skills Used	HTML, CSS3, Dreamweaver CS6, Microsoft.NET 2010, SVN
URL	http://www.vectonemobile.co.uk

❖ Hane Tech Solutions Pvt. Ltd. (UI Developer | July 2013 – May 2015)

Roles & Responsibilities

- **Redesigned various Webpages** to **improve usability and display** more classic look.
- Develop custom module to integrate with the existing functionality to provide value add **enhancement to the website**
- Responsible for the **graphic design and mockup screen design** of web pages using **HTML, CSS and JavaScript**.
- **Design and development of icons and banners** for various web module requirements.

PROJECT DETAILS

5. Product	SchoolDex Management System.
Description	School Management software.
Client Location	Arizona/Idaho/Philippines Schools.
Role	Web Designer
Skills Used	HTML, CSS3, Dreamweaver CS6, Microsoft.NET 2008.
URL	http://www.schooldex.com/arizona/demo/

❖ **Jhan&Jeev Software Pvt Ltd. (Developer | June 2010 – July,2013)**

Roles & Responsibilities

- Responsible for **managing all client** relationships, controlling budgets, and **designing/developing websites** and web-based application for corporate clients.
